**Supervisory and Managerial Employees**

To maintain the exemption from overtime compensation, an exempt employee's weekly salary must be no less than two times the applicable minimum wage rate multiplied by a 40-hour work week in addition to other requirements. There are no AB 1066 changes in hours for salaried exempt employees, unlike agricultural employees.

<sup>1</sup> Transportation employees and employees covered by a collective bargaining agreement have different rules applicable.

<sup>2</sup> Effective 1/1/22, any employee who works over 12 hours per day must be paid double their regular rate of pay, unless an exemption applies.

<sup>3</sup> Effective 1/1/25, employers with 25 or less employees will be required to pay employees double-time after 12 hours of work.
