

## Position Description *Manager, Grower Services*

### **QUALIFICATIONS**

A bachelor's degree is required with a minimum of two years related work experience. The ideal candidate is detail-oriented, self-motivated, and has a strong work ethic. Excellent written and verbal communication skills are necessary as well as proficiency with Microsoft Excel and other data management programs. Experience and knowledge working in agriculture and/or a non-profit organization are desired, but not required.

### **RESPONSIBILITIES**

The position will manage and be responsible for expanding member related service programs on behalf of all of California's citrus growers.

#### **Responsibilities include, but are not limited to, the following:**

- Collect, organize, and report to the membership weekly citrus market pricing.
- Oversee the association's membership data management systems.
- Manage the association's Weather Watch program that serves citrus growers by providing twice daily forecasts and freeze alerts.
- Develop and implement strategies to maintain and expand the services and benefits offered to the association's grower and allied industry membership.
- Plan and organize assigned committee meetings.
- Participate in the planning, organizing and/or directing the association's membership-oriented events.
- Credibly represent citrus growers in government proceedings at the local, state and/or federal governments.
- Other roles and responsibilities may be needed in non-identified areas that can/will benefit the operations of CCM.

### **COMPENSATION**

CCM offers a competitive salary and benefits package that includes medical, dental, vision, and retirement. Salary is negotiable and will be dependent upon the qualifications and experience of the candidate.

Interested candidates should send a cover letter and resume to President/CEO Casey Creamer at [ccm@cacitrusmutual.com](mailto:ccm@cacitrusmutual.com).
